Special Issue

Do you know *MINSEI-JIDO IIN*?

We are *MINSEI-JIDO IIN*. We are selected and recommended by the community council and finally commissioned by the Minister of Health, Labor and Welfare. We are volunteers who are commissioned to conduct welfare activities and child-rearing counseling. We aim to help build a community where

everyone can live safely and comfortably in Kawachinagano. We serve as a bridge between you and related institutions in order to provide necessary help. Also, we offer advice on problems related to domestic violence, violation of elderly and child's rights, loneliness, social isolation, and so on.
